

## CAT configuration of a fixed PC / notebook / laptop with s.o. Windows

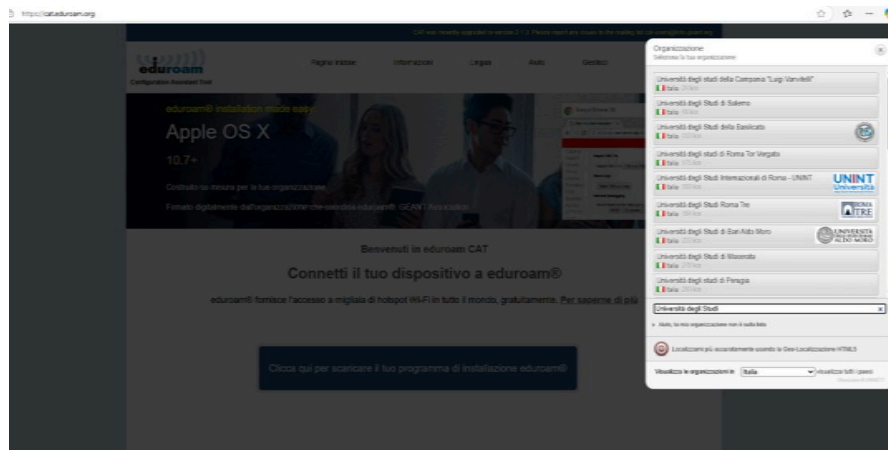

Download to your device the certificate available at <https://www.wifi.unicampania.it/images/cacert.crt> In order to install the certificate you just downloaded, select wifi and go to the menu that presents the available wifi networks: in the screen, tap on the **Advanced Settings** item ( or "Other Settings" depending on your version of Android)

Open a browser and point to <https://cat.eduroam.org>

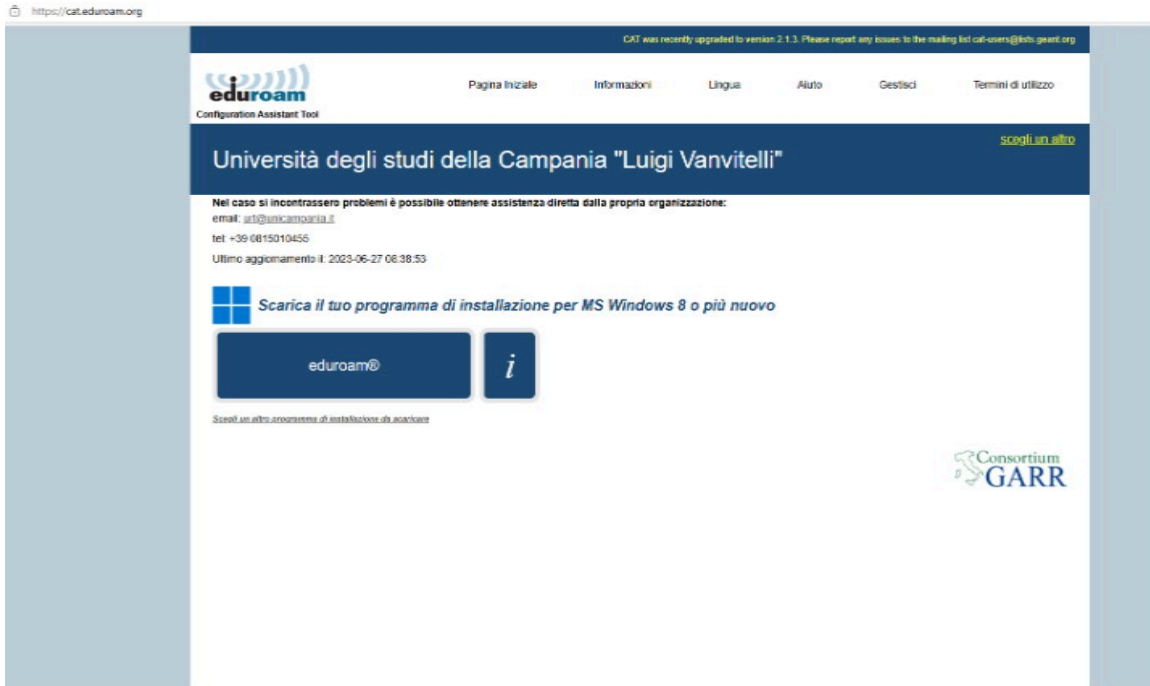

Click on the large button in the center of the page

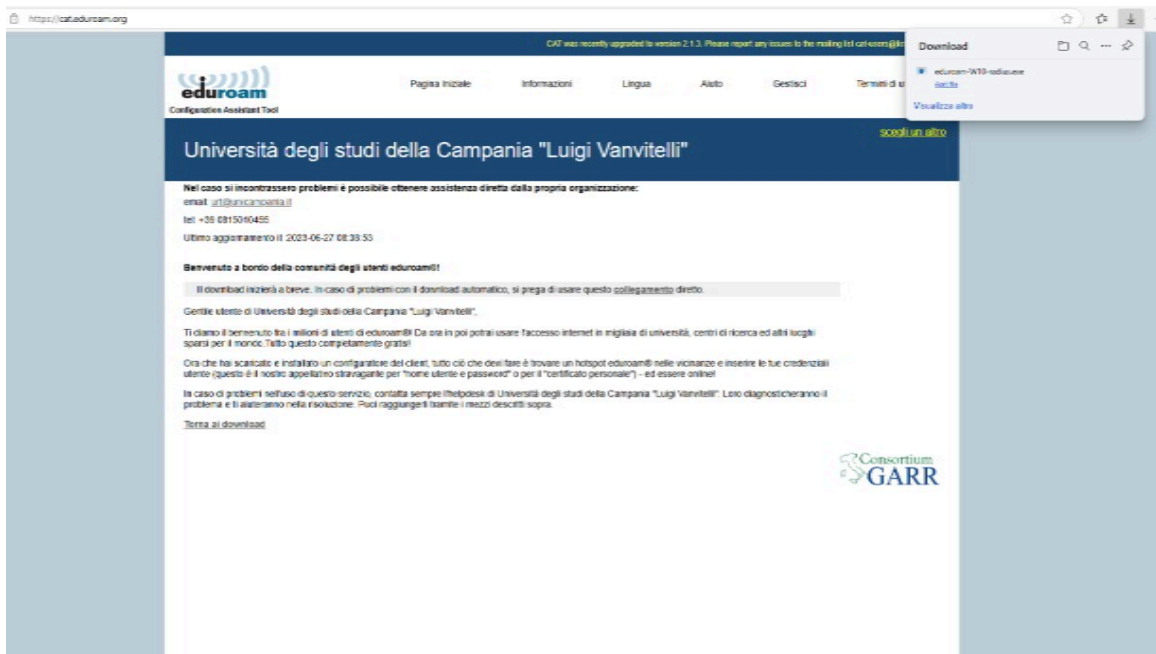

Nel menù a tendina che apparirà in alto a destra, scegliere l'ente di appartenenza

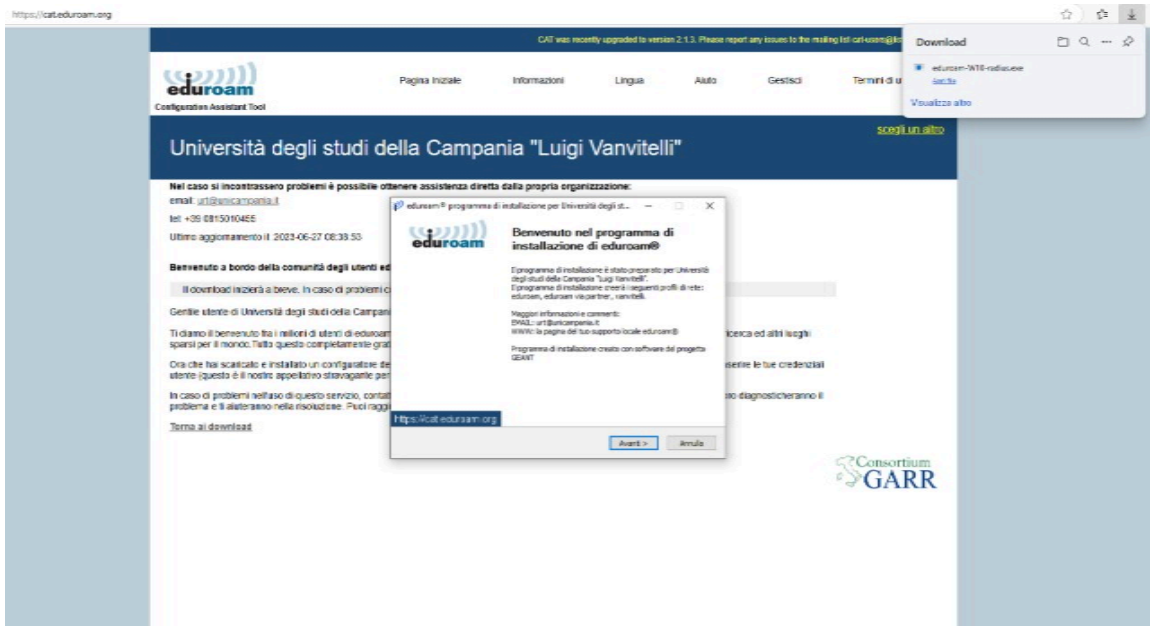

click on the eduroam button

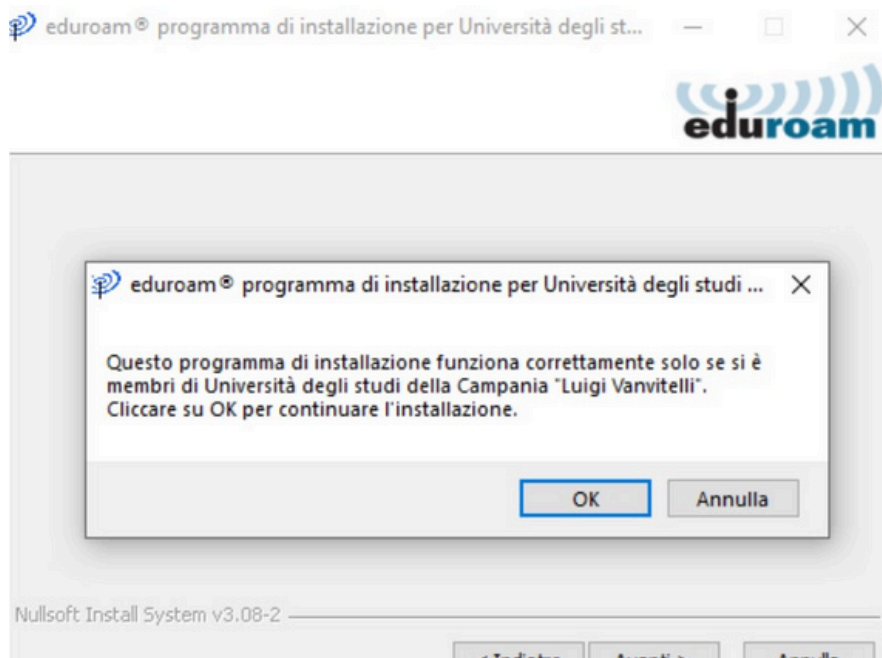

eduroam-W10-radius.exe file will be downloaded

Opening the file will launch the installation program

Click on next and then confirm with OK

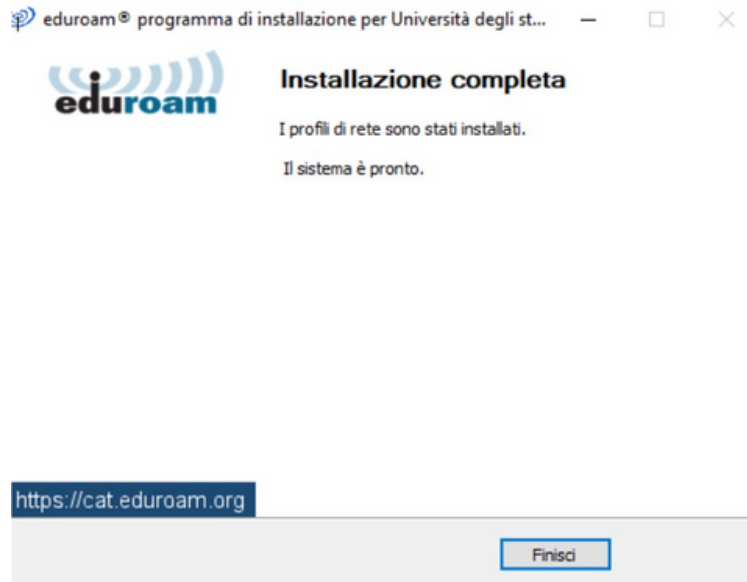

Enter wifi credentials, generated at [www.wifi.unicampania.it](http://www.wifi.unicampania.it) and click on install

The screenshot shows a window titled "eduroam® programma di installazione per Università degli st...". The main heading is "Credenziali utente". On the right side, there is the eduroam logo. The form contains three input fields: "Nome utente:" with the text "paolo.verdi@unicampar", "Password:" with ten black dots, and "Ripetere la password" with ten black dots. At the bottom left, it says "Nullsoft Install System v3.08-2". At the bottom right, there are two buttons: "Installa" (highlighted with a blue border) and "Annulla".

The installation program will start

The screenshot shows a window titled "eduroam® programma di installazione per Università degli st...". The main heading is "Installazione" with the subtitle "Aggiornamento dei profili di rete". On the right side, there is the eduroam logo. A progress bar at the top is filled with green and labeled "Controllo per il profilo All fine". Below the progress bar is a list of installation steps, all showing 100% completion: "Estrazione di: wlan\_prof-1.xml... 100%", "Estrazione di: wlan\_prof-2.xml... 100%", "Estrazione di: WLANSetEAPUserDatax86.exe... 100%", "Estrazione di: WLANSetEAPUserDatax64.exe... 100%", "Estrazione di: WLANSetEAPUserDataARM64.exe... 100%", "Controllo per il profilo eduroam", "Controllo per il profilo eduroam via partner", "Controllo per il profilo vanvitelli", "installazione del profilo eduroam", and "Controllo per il profilo All fine". At the bottom left, it says "Nullsoft Install System v3.08-2". At the bottom right, there are three buttons: "< Indietro", "Avanti >", and "Annulla".

Click on Finish

When the installation is complete, the two vanvitelli and eduroam networks will be properly configured and ready to connect
